

THERAPIUM NATURALIS

Product Guide

WHO WE ARE?

Therapium Naturalis was founded by Yasemin Durmaz at the end of 2017. The foundation of our company is based on aromatherapy, which has been studied for thousands of years.

We embrace the idea that people can be treated both physically and mentally with aromatherapy in a completely natural way. For this reason, we continue our efforts to bring **aromatherapy to more people all over the world.**

"We are inspired by
the power of nature."

WHAT WE CAN DO FOR YOU?

100% pure and natural essential oils, carrier oils, massage oils and hydrosols.

Special blend (boutique) massage oils designed according to your requests.

Ayurvedic massage oils prepared by our Ayurveda specialist.

Aromatic kits that will make hotel customers feel special and comfortable in their hotel rooms.

A decorative background featuring several sprigs of dried lavender flowers. The sprigs are positioned diagonally across the page, with some in sharp focus and others blurred in the background. The overall color palette is soft and natural, with the brownish-purple of the lavender contrasting gently with the light, off-white background.
