HANDLING / STORAGE / SHIPPING AND OTHER CONSIDERATIONS:

B. Hazardous Ingredients
None

C. Cross-linking to silicone on exposure to Gamma Radiation
Not tested

D. Physical Characteristics (Solid)
Soluble in water Indissoluble
Melting Point N/A
Appearance/Odor Clear to slightly hazy in appearance / lightly aromatic

E. Fire and Explosion Hazard Information
Flash Point N/A
Flammable Limits N/A
Extinguishing Method Class D, Do not use Halogenated Fire extinguishing materials for large scale fires.

Decomposition or byproducts CO, CO₂, hydrocarbons

F. Unusual Fire/Explosion Hazard

None

F. Reactivity Information

Stable

G. Conditions to Avoid / Incompatibilities

None

H. Health Hazard Data

The product complies with the classification of an "article" defined in the CFR 1910.1200 and is not known to expose a user to hazardous conditions when used according to the design and shape manufactured.

I. Precautions to be taken in Handling/Storing

None are required

J. Waste Disposal Method

Dispose as a non-hazardous waste according to local law or state regulation.

K. Precautions for Safe Handling and Use

None known
