Alcas Window System  
Alcas Pencere Sistemi

AWD60 serisi kapı, pencere, ara bölme ve vitrinde kullanılan klasik bir seridir. İmlat ve montaj kolaylığına, ekonomik faaliyetlere sahip bu seri **ALCAS** 'ın diğer doğrama serilerinde kullanılan conta ve aksesuarların bazıları ile uyumludur.

60 mm genişliğindeki serinin en önemli özelliği her iki tarafta da çıta profili tek seridir. Buda cam takımında rahat montaj kolaylığı sağlamaktadır.

*The AWD60 series is a classical series used for door, window, dividing wall and show windows. This series is economical and manufacturing and installation is easy. Some gaskets and accessories are common with other window and door series.*

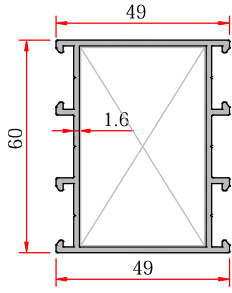

*The most important property of this 60 mm width series is that, the bead profiles in both sides are single series. This provides easy glass installation.*
