## for weekend outfits suggestion

How would you like to spend this weekend? A trip to the countryside or just a nature walk with your loved ones? No matter how you want to spend it, we only hope that you are happy and we have a little suggestion for you, our valued readers. Here is our outfit suggestion for this weekend: Knitwear, canvas trousers and coats, which are indispensable for the autumn and winter months

# *men* wearing white

Winter fashion is reshaping light colors. The belief that these clothes were once worn only in the summer months is breaking this season. It seems that we will see many men wearing white, light gray, ecru and beige on the streets this season and men are getting more attention with light colors.

# your style one step highlight

Here is a real gentleman of the world. Combined suits with vest are the favorite of gentlemen who like to dress both sporty and classic. Whether you are walking on the streets or taking a walk in the countryside.. In both cases, do not compromise on your style.
