

# Lexmark MS610 Series

# Power up your business. Print to impress.

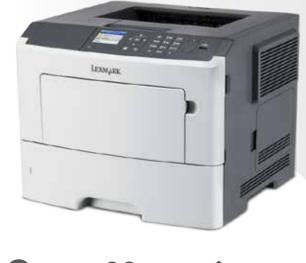

The Lexmark MS610 Series delivers. With its speed, reliability and convenient features, your business can handle everyday document tasks more quickly and easily. Want productivity solutions? Get the MS610de.

#### More productivity. Compact design.

Power and speed come together in a space-saving size. Built to handle the requirements of a professional office, the MS610 Series produces high quality, professional prints in next to no time.

**Print complex documents fast**: Print documents with graphics and images effortlessly with up to 2.5 GB of upgradable memory and a powerful 800 MHz dual-core processor.

**Reliable performance**: Easily print up to 16,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our stateof-the-art paper handling.

**Unison** 

**Run jobs without interruption:** With an input capacity of up to 2,300 sheets and ultra high yield toner cartridge options, you won't have to add paper or change cartridges as often.

**Get work done quickly:** Print up to 50 pages per minute–plus get your first page in as little as 6.5 seconds.

## Professional results. Performance ready.

With our exceptional laser printers, it's easy to make a great impression. And our system is simple to use, thanks to the larger, easy-to-read control panel, ecofriendly supplies and more.

High resolution graphics: With up to true 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent print quality. **Easy-to-use displays:** The bright 2.4inch color display lets you stay on top of your work. Need more control and productivity solutions? Get the solutionscapable MS610de with the 4.3-inch color touch screen.

Innovative toner that optimizes performance: Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first to last print.

**Convenient controls**: Preview your held jobs to print only the pages you need, so you can make changes on the fly. Choose multi-image printing on one page or select two-sided printing to save paper.

## Smoother workflows. Solution capable.

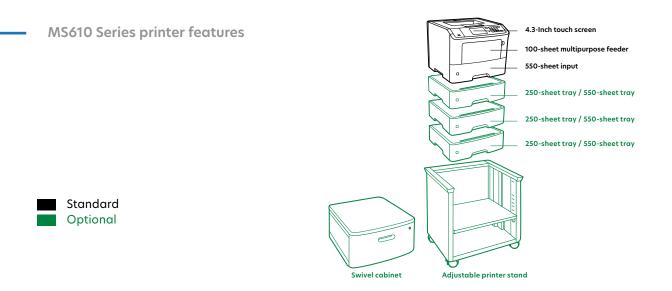

The MS610 Series delivers volumes of high quality documents without a hassle. For productivity solutions that let you print often-used forms, print on demand and more, get the MS610de.

Help workers do more: With standard Gigabit Ethernet networking, our system can print jobs from the network faster, so your teams stay productive. Plus, you can protect sensitive data using standard network security protocols. Streamline tasks with ease: Be more productive and efficient with our easyto-use color touch screen, customizable apps, optional card reader and more.

Save resources and the planet: An instant warm-up fuser, built-in 2-sided printing<sup>8</sup>, an ultra high yield toner option, plus Quiet, Hibernate and Eco modes minimize noise and save paper and energy.

Print anytime and anywhere<sup>6</sup>: With this system, you can print from desktops as well as mobile devices that can run applications.

offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. <sup>ay</sup>Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. <sup>4</sup>Print and copy speeds measured in accordance with ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. <sup>5</sup>Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details.
