ABOUT US

Çebi carries its signature into living spaces from 1979 to today with the theme of passion and perfection that nourishes its original and refined designs.

As one of Türkiye's leading companies in its field, Çebi defines a sophisticated lifestyle in its stylish collections with timeless, brilliant designs. In order to take its products to the highest possible level, it continuously carries out design and collection studies by taking functionality and ergonomics into consideration.

Adopting an innovative approach, Çebi creates designs in Hinges, Locks, and Bathroom Accessories in addition to its designs in furniture and door handle groups. Çebi does not offer "just design" to living spaces and projects. It aims to meet all your decorative needs, from furniture to doors, and from doors to bathrooms.

The symbols of Çebi's professionalism — mastery in shaping, coating quality and durability, high surface quality, and perfect surface smoothness — carry its collections and products far beyond "just design." From raw material selection to production processes, it preserves environmental sensitivity at every stage by using renewable energy.

Under the roof of Art Metal Group, the Çebi brand is now stronger!

CebiDesign, Europe's largest production base in its field, has joined the ART Metal Group, one of the leading players in the metal industry. This strategic step creates significant synergy in the sector by combining CebiDesign's innovative approach with ART Metal Group's strong experience and vision. With new investments and expanded production capacity, the brand further advances its sector leadership.

HAKKIMIZDA

Çebi özgün ve rafine tasarımlarını besleyen tutku ve kusursuzluk temasıyla imzasını 1979'dan bugüne yaşam alanlarına taşıyor.

Türkiye'nin alanında önde gelen firmalarından olan Çebi stil sahibi koleksiyonlarında sofistike yaşam tarzını zamansız parlak tasarımlarla tanımlıyor. Ürünlerini mümkün olan en üst seviyeye taşımak için fonksiyonelliği ve ergonomiyi dikkate alarak tasarım ve koleksiyon çalışmalarını aralıksız sürdürüyor.

Yenilikçi yaklaşımı benimseyen Çebi, mobilya ve kapı kolu gruplarındaki tasarımlarına ek olarak Menteşe, Kilit ve Banyo Aksesuarlarında da tasarımlar yapmaktadır. Çebi, yaşam alanlarına ve projelere "sadece tasarım" sunmuyor. Mobilyadan kapıya, kapıdan banyoya bütün dekoratif ihtiyaçlarınızı karşılamayı amaçlamaktadır.

Çebi profesyonelliğinin simgeleri olan, şekillendirmedeki ustalık, kaplama kalitesi ve dayanıklılık, yüksek yüzey kalitesi ve mükemmel yüzey pürüzsüzlüğüyle koleksiyonlarını ve ürünlerini, "sadece tasarımın" çok ötesine taşıyor. Hammadde seçiminden üretim süreçlerine kadar her aşamada çevre duyarlılığını koruyarak yenilenebilir enerjiler kullanıyor.

Art Metal Group çatısı altında Çebi markası artık daha güçlü! Faaliyet alanında Avrupa'nın en büyük üretim üssü olan CebiDesign, metal sektörünün lider oyuncularından ART Metal Group çatısı altına katıldı. Bu stratejik adım, CebiDesign'in inovatif yaklaşımını ART Metal Group'un güçlü deneyimi ve vizyonuyla birleştirerek sektörde önemli bir sinerji yaratıyor. Yeni yatırımlar ve genişleyen üretim kapasitesi ile marka, sektör liderliğini daha da ileriye taşıyor.
