The Essence Of Nature

As Dermoten, we know that beauty is more than skin-deep; it is an expression of self-confidence, an embrace of one's individuality, and a celebration of unique qualities. With our carefully crafted natural dermocosmetics, we aim to inspire people to feel their best and spread beauty from within.

Our diverse product range includes:

Skin Care Products: Highly concentrated formulations designed to target specific skin concerns and promote a healthy, youthful complexion.

Hair Care Products: Innovative solutions to enhance hair health, vitality, and manageability, leaving hair looking stunning.

SunCare+ Products: SPF 50+ sunscreens produced specifically for diverse skin types.

Glycerin-Based Soaps: Gentle and nourishing soaps enriched with glycerin, providing a moisturizing cleanse while maintaining the skin's natural balance.

Natural Oils: Derived from potent herbs, carefully extracted to offer a multitude of benefits for the skin, hair, and overall well-being.

Food Supplements: Formulations infused with collagen, designed to support overall health and beauty from within, helping radiate vitality.

As Dermoten brand, our priority is our commitment to quality and safety. Our own manufacturing facility in Istanbul, Turkey adheres to the highest manufacturing standards and has the following certifications:

GMP, ISO 9001, ISO 22000, OHSAS 18001.

PRODUCTION

Casel, our own manufacturer company of Dermoten® brand, established its manufacturing facility in 2016 and started the production of dermocosmetic products, food supplements and herbal oils.

Casel continues its production with its ISO 9001, ISO 22000, GMP (Good Manufacturing Practices) Certificate, Quality Management System and Organic Entrepreneur Company Certification. Casel develops innovative and effective products for health, skin and hair, using the most natural formulas with active ingredients. Casel produces over 300 products, under 35 different own brands as well as private label production in different categories.

Casel dedicates itself to customer satisfaction by using right and effective combinations on product formulations for 40 years.
