İpliğin Türk Standartları harici yapılacak yıkama, kuru temizleme, taşlama gibi uygulamalara, çamaşır suyu ve benzer kimyevi maddelere karşı dayanıklılığı ve dikiş harici uygulamalar müşteri ve/veya kullanıcı sorumluluğundadır. Seri imalata başlamadan önce kimyasal uygulamaların numune üzerinde denenmesi gerekir. Yanlış kullanım sonucu oluşabilecek hasarlar için **Diktaş A.Ş.** sorumlu tutulamaz.

The responsibility lies with the customer and/or the user to decide on the appropriate processes other than listed in the Turkish Standards such as washing, dry cleaning, sand-blasting etc. and/or chemicals in which the thread is to be treated with. Sample testing must be done before entering production. **Diktaş A.Ş.** cannot be held liable for any damages occurring as a result of incorrect handling of its threads.
