COMPANY PROFILE

HI THERE!

The first step to having a realistic style, not a magic touch: Intersivin.

We are with you all seasons with our original and innovative design approach and our timeless and unlimited models.

We want to offer the best combinations with modern touches in the style desired by stylish men who want to add value to themselves.

Do you want to create the best collection of the season? You can present this collection in your stores, use it for your staff, and bring the elegance of Intersivin to your city.

Moreover, we offer this to you with our high production capacity and wholesale sales.

A big hello to you for all this! We mean.

ABOUT COMPANY

Always one step ahead

Intersivin is a fashion brand that started its commercial life in 1994. The area of activity is Buca district of Izmir. Our company, which has achieved many successes in the ready-made clothing industry with its innovative design approach and sewing technique, has maintained its rightful place in the sector for years with its quality and collection richness.

It has always managed to be one step ahead of its competitors with its fast production, uncompromising sewing and fabric quality, and product diversity.

Intersivin, which wants to introduce its products to the world in the international market as well as in the national market, maintains its satisfaction-oriented service approach with its professional team.

We aim to grow in the international market with the philosophy of quality production, affordable prices, sustainable and reliable after-sales service and our motto "Always one step ahead".

Thank you for choosing us.

MESSAGE FROM OUR TEAM:

Hello my business partner

We work to give you the best with our sales personnel, designers, production managers, R&D personnel and export experts. We are a big family that always works for the better.

We would also like to customize our products according to your wishes. We would like to implement your demands into our designs. We are sure that we will be stronger together. If you wish, we can also produce the sizes you want in all categories.

We first like an outfit ourselves and then present it to you. All experts add value to Intersivin with their own ideas. If you wish, we can also produce product accessories on your behalf.

Our entire team works very meticulously for fast production. For example, our suit production rate is 500 pieces per week. We would like to point out that we are quite fast in other categories as well.

Our fabrics are 100% Turkish fabrics. We can guarantee you this. We can also determine the quality of the fabrics according to your demands. Would you like us to make customized samples for you for our product quality? Please contact us.

We believe that we are stronger together. Thank you for trusting us.

Intersivin Team.
