- Soft PVC film coated tape, suitably elasticized and stabilized
- Coated with rubber-based pressure sensitive adhesive on one side. Shiny film coated with an excellent anti-corrosion adhesive
- Used to floor or aisle marking and pipe wrapping
- Suitable use at not more than 60°C
- Has excellent anti-abrasion, flexible and resistant to acid, alkalies and oils
- With non-corrosive pressure-sensitive adhesive, requiring no heat, moisture, or other manner of preparation to effect application
