

ARJANA

# A NEW ERA

IN THE ART OF SCENTING!

# FROM LANDS MARKED BY THE TRACES OF HISTORY,

Inspired by the spirit of ancient paths and the rich heritage of timeless cultures, Arjava offers a different story in every scent and a timeless elegance in every detail.

Arjava carries the tales of passion, craftsmanship, and tradition from centuries-old scent artistry into the present day.

Carefully selected materials and our meticulously crafted collection invite you to rediscover timeless sophistication.

With the Arjava Mobile App, you can set and manage the operating schedule, fragrance intensity, and ambient lighting of each diffuser.

## DISCOVER A NEW EXPERIENCE IN AMBIENT SCENTING.

By connecting your diffuser to the mobile app via Bluetooth, you can set and manage the operating schedule, adjust fragrance intensity, control the ambient light, and view the device's battery and cartridge status.

If you wish, you can invite other users into the system with an invite code and allow them to control the diffuser as well.
