9.1Assemble and disassemble of fabric cover	
9.2Maintenance of seat plastic and cleaning of fabric cover	

1. Important information

1. The Baby safety seat is suitable for kid from birth to 36 kg weight. (0+, I, II, III Group, from birth to about 12 years old child).
2. Please read this manual carefully, because improper installation may cause serious injury, in which case the manufacturer is not responsible.
3. The seats comply with requirements of GB 27887-2011 and ECE R44 / 04 regulations and can be installed on most vehicles that meet the requirements of GB 14166 or ECE R16 or other equivalent standards. However before you buy, you should always try this child's safety seat with your kid in your car to ensure that this model meets all your needs.
4. Never use the baby safety seat without fabric cover. Do not use materials other than those recommended by the manufacturer.
5. Avoid baby car seats away from sun exposure otherwise the child maybe hurt by the heat.
6. Replace the safety seat when it is involved in an serious accident.
7. Please don't place heavy weights in the vehicle compartment or on the seat, because if an accident occurs, it may cause harm to the child.
8. Make sure that no part of the baby car seat is stucked on the door or chair, Besides check the seat whether has been properly installed.
9. Do not attempt to disassemble or modify the seat or add parts, as it may seriously affect its functionality and safety
10. Even if the child is not sitting in the seat, the safety seat should be installed through the three-point seat belt or FIX system fixed on the vehicle.
11. Don't allow baby to stay alone in child safety seats or in unattended conditions at any time.

12. Please make sure baby car seat is away from corrosive items.
13. Please purchase this baby car seat in accordance with the formal route.
14. In any case, the baby safety seat can not be used in the front seat where the front airbag has been activated.
- 15 . When installation, please strictly follow the installation diagram of the force point installation, you can not use any other than the point of force installation
16. The illustrations in this specification are used only to provide information that the actual product may be slightly different from the illustrations on the instructions.

"Care For Future"

GARANTİ ŞARTLARI

- Garanti süresi, malın teslim tarihinden itibaren başlar ve iki yıldır.
- Malın bütün parçaları dahil olmak üzere tamamı firmamızın garantisine kapsamındadır.
- Malın garanti süresi içerisinde arızalanması durumunda, tamirde geçen süre garanti süresine eklenir.
Malın tamir süresi en fazla 20 iş günüdür. Bu süre, mala ilişkin arızanın servis istasyonuna, servis istasyonunun olmaması durumunda, malın satıcısı, bayi, acentası, temsilciliği, ithalatçısı veya imalatçısından birisine bildirim tarihinde başlar.
Sanayi malının arızasının 10 iş günü içerisinde giderilmesi halinde, imalatçı veya ithalatçı; malın tamiri tamamlanıncaya kadar, benzer özelliklere sahip başka bir sanayi malını tüketicinin kullanımına tahsis etmek zorundadır.
- Malın garanti süresi içerisinde, gerek malzeme gerek işçilik, gerekse montaj hatalarından dolayı arızalanması halinde, işçilik masrafı, değiştirilen parça bedeli yada başka herhangi bir ad altında hiçbir ücret talep etmeksizin tamiri yapılacaktır.
- Tüketicinin, ücretsiz onarım hakkını kullanması halinde malın; a) Garanti süresi içinde tekrar arızalanması, b) Tamir için gereken azami sürenin aşılması, c) Tamirin mümkün olmadığında, yetkili servis istasyonu, satıcı, üretici veya ithalatçı tarafından bir raporla belirlenmesi durumunda; tüketici malın bedel iadesini, ayıp oranında bedel indirimi veya imkân varsa malın ayıpsız misli ile değiştirilmesini satıcıdan talep edebilir. Satıcı, tüketicinin talebini reddedemez.
Bu talebin yerine getirilmemesi durumunda satıcı, üretici ve ithalatçı müteselsilen sorumludur.
- Malın ayıpsız misli ile değiştirilmesinin satıcı için orantısız güçlüğü beraberinde getirecek olması halinde tüketici, sözleşmeden dönme veya ayıp oranında bedelden indirim haklarından birini kullanabilir. Orantısızlığın tayininde malın ayıpsız değeri, aybın önemi ve diğer seçilmiş haklara başvurmanın tüketici açısından sorun teşkil edip etmeyeceği gibi hususlar dikkate alınır.
- Tüketicinin sözleşmeden dönme veya ayıp oranında bedelden indirim hakkını seçtiği durumlarda, satıcı, malın bedelinin tümünü veya bedelden yapılan indirim tutarını derhal tüketiciye iade etmek zorundadır.
- Tüketicinin malın ayıpsız misli ile değiştirilmesi hakkını seçmesi durumunda satıcı, üretici veya ithalatçının, malın ayıpsız misli ile değiştirilmesi talebinin kendilerine bildirilmesinden itibaren altmış gün içinde, bu talebi yerine getirmesi zorunludur.
- Birinci fıkranın (c) bendinde belirtilen raporun, arızanın bildirim tarihinden itibaren o mala ilişkin azami tamir süresi içerisinde düzenlenmesi zorunludur.
- Malın kullanma kılavuzunda yer alan hususlara aykırı kullanımlarından kaynaklanan arızalar ve kullanım hatasından kaynaklanan arızalar garanti kapsamı dışındadır.
- Garanti süresi içerisinde, servis istasyonları tarafından yapılmasının zorunlu olduğu, imalatçı veya ithalatçı tarafından şart koşulan periyodik bakımlarda; verilen hizmet karşılığında tüketiciden işçilik ücreti veya benzeri bir ücret talep edilemez.
- Fabrikasyon hatalarından doğan arızaların tamirinde garanti kapsamının geçerli olabilmesi için, ürünün satıcı mağaza tarafından kağıtlenmiş orijinal fatura ve garanti kartı ile servise getirilmesi veya gönderilmesi şarttır.
- Tüketiciler şikâyet ve itirazları konusunda Tüketici Mahkemelerine ve Tüketici Hakem Heyetlerine başvurulabilir.
- Malın ayıplı olduğunun anlaşılması durumunda tüketici;
a) Satılanı geri vermaye hazır olduğunu bildirerek sözleşmeden dönme, b) Satılanı alıkoyup ayıp oranında satış bedelinden indirim isteme, c) Ayni bir masraf gerekmediği takdirde, bütün masrafları satıcıya ait olmak üzere satılanın ücretsiz onarılması isteme, ç) İmkân varsa, satılanın ayıpsız bir misli ile değiştirilmesini isteme, seçilmiş haklarından birini kullanabilir.
