FOREWORD

This parts catalogue is belong to BELDE 260 SLF Buses which are manufactured by BMC SAN.TIC.A.S.

Parts catalogue is prepared to help person in truck business by facilitating the distribution and procurement of parts.

This catalogue is divided into 13 main chapters and each chapter is indicated with rigit. Subsection of main chapters and their page numbers are specified in contents part of every chapter. You will find the part illustrations and numbers on the left page, and also the page and chapter number will be on down side, edition no and edition date will be on upside on this page side of this page.

On the right pages, you will find the illustration no, part no, part name, part quantity and if available the alternative number together with the chassis number and also the edition no and edition date will be on bottom corner of left, page number will be on bottom corner of right side on this page.

All part numbers are included in an index at the end of this catalogue.

When replacement parts are needed, we recommend using only genuine BMC and its manufacturer company exchange parts, Otherwise, it is impossible to benefit from factory warranty.

Part name with the exact part number, and required quantity must be mentioned while making part order. Request without part numbers will not be taken into consideration.

Some parts are used with specified chassis numbers, therefore chassis number of the vehicle must be determined while fixing the part number.
